The Grayslake Community Park District is a cooperative member agency of the Special Recreation Association of Central Lake County (SRACLCL). SRACLCL provides community based therapeutic recreation programs and services to people of all ages with disabilities or special needs.

SRACLCL is a cooperative effort of the Grayslake, Vernon Hills and Mundelein Park Districts and the Villages of Hawthorn Woods, Lake Zurich, Libertyville and Lincolnshire. Individuals residing within the boundaries of the Member Agencies are considered "residents" of SRACLCL and may take advantage of the services.

SRACLCL offers more than 600 weekly programs, special events and camps during the year. SRACLCL recognizes that some people with disabilities prefer to participate in recreation programs within their own Park District or Recreation Department. SRACLCL can help you with this opportunity by providing extra staff, if deemed necessary, sign language interpreters, behavior management support, disability awareness training and other adaptive services necessary for safe and successful participation.

Contact the SRACLCL office (847) 816-4866 if you would like to receive a brochure or wish to be placed on the mailing list.
