BRAVE WAY SELF DEFENSE**Age: 12 years & up**

Give us two hours and we will teach you and your family how to defend yourselves. Originally certified by the State of Illinois to teach police officers, this is one of the easiest to learn and most effective self-defense classes that you can take. We're not going to teach you a bunch of stuff that might not work in a life or death situation. The techniques we teach will stop an attacker immediately. They are easy to learn and use, don't require constant practice or years of training to master, and work regardless of your age, size, strength, speed, skill or physical ability. You will work with a partner to learn the techniques taught in class which include defenses against armed and unarmed attackers; single/multiple attackers; standing, sitting, and ground techniques; and rape defense/prevention. This is not a Stranger Danger lecture. You will learn to anticipate and avoid potentially dangerous situations and how to defend yourself from a physical attack including; grabs, punches, chokes, bear hugs, headlocks, kicks, knives, guns, and more from a much bigger and stronger attacker. Participants will also be given a take home Personal Safety Guide to help make you safer in all areas of your lives. This Class Could Save Your Life. **The class is targeted at teens and adults, but 8-11 year olds can also sign up and take the class with an adult.** All girls at or near dating age should take this class.
