## PRACTICE SAT TESTS

Age: 13 - 18 years

Find out where you stand. Are you interested in taking practice SAT tests without it counting towards college admissions? This program is designed to allow students to take 2 SAT practice tests, along with 7 strategy sessions to help boost your SAT score. Students will become familiar with how the new SAT format works, along with being able to practice reading, writing and math, to find your weaknesses and strengths. After each test, students will receive a detailed score report, which breaks down your SAT test to your individual strengths and weaknesses. **Please note: Practice tests will be taken on Oct. 7th and Nov. 4th, and for those two class dates classes will be held from 9:30am - 1:30pm.** This is a contractual program.
