## CHEMICAL FREE HOME

Age: 18 years & up

Would you like to learn how to kick toxic chemicals out of your home? Did you know the average person applies 300 chemicals to their body every single day and 80 of those before breakfast? Most are from four things – soap, makeup, shampoo and hair care. The biggest pollutants in our homes are fabric softener, dryer sheets, air freshener plug ins and candles. Essential oils are a better way! They are totally chemical free, steam-distilled or cold-pressed from pure plants. Come learn some simple changes you can make to kick the chemicals in your home to the curb and start living clean. (TP)

**Location:** Recreation Center Multi-Purpose Room A
