April 17, 2014

Dear Resident:

The Grays Lake Management Committee has cancelled the whole lake invasive plant spray application scheduled for April 23, 2014. The committee will continue to monitor the lake conditions throughout the year in case spot applications are needed. Notices will be distributed if any spot applications are to be applied throughout the year.

If you have any questions, please contact Jeff Nehila, Executive Director, Grayslake Community Park District at (847) 223 -7529.
