

Press Release  
College Station Pond Algaecide Application

Marine Biochemists will be applying an algaecide treatment on June 19, 2013 to the College Station pond. There are no restrictions for swimming, fish consumption or irrigation from this application. Any questions, please contact Jeff Nehila, Executive Director, Grayslake Community Park District at 847 223-7529 or [jnehila@glpd.com](mailto:jnehila@glpd.com).
