

Press Release
College Station Pond Algaecide Application

Marine Biochemists will be applying an algaecide treatment on July 17 or July 18, 2013 to the College Station pond. There are no restrictions for swimming, fish consumption or irrigation from this application. Any questions, please contact Jeff Nehila, Executive Director, Grayslake Community Park District at (847) 223-7529 or jnehila@glpd.com
