

Special Recreation Association of Central Lake County

The Grayslake Community Park District is a cooperative member agency of the Special Recreation Association of Central Lake County (SRACLCLC). SRACLCLC provides community based therapeutic recreation programs and services to people of all ages with disabilities or special needs.

SRACLCLC is a cooperative effort of the Grayslake, Vernon Hills, and Mundelein Park Districts and the Villages of Hawthorn Woods, Lake Zurich, Libertyville, and Lincolnshire. Individuals residing within the boundaries of the Member Agencies are considered "residents" of SRACLCLC and may take advantage of the services.

SRACLCLC offers more than 600 weekly programs, special events and camps during the year. SRACLCLC recognizes that some people with disabilities prefer to participate in recreation programs within their own Park District or Recreation Department. SRACLCLC can provide inclusion assistance for children who want to participate in Grayslake Park District programs by providing extra staff, if deemed necessary, sign language interpreters, behavior management support, disability awareness training and other adaptive services necessary for safe and successful participation.

If you would like to receive a SRACLCLC brochure or wish to be placed on the mailing list, please contact the SRACLCLC office at (847) 816-4866 or info@sraclclc.org.
