Take a Shot at “Find Your Fun” Photo Contest
Submit Photos from Grayslake Park District Parks, Programs, and Events

Grayslake, IL – The Grayslake Community Park District is celebrating the organization’s 60 year anniversary with a “Find Your Fun” Photo Contest.

As you “Find Your Fun” with the Grayslake Park District this summer, document these moments on your phone or camera. The photo contest rules are simple – photos must be taken at a Grayslake Park District park or facility or during a park district program or event.

“The Grayslake Park District is proud to have been providing parks and recreation to the Grayslake community since 1959,” said Grayslake Park District Executive Director Kristin Splitt. “What better way to celebrate 60 years of fun than by encouraging the community to share pictures of themselves having fun at Park District parks, recreation programs, and events?”

It doesn’t matter if you’re taking pictures on your iPhone or DSLR camera, as long as the picture captures someone or something fun. Photographers of all ages are welcome.

Winning entries will receive a prize and be featured in a Grayslake Park District Seasonal Program Guide, on the Park District’s website, and on the Park District’s Facebook and Instagram pages. Photo submissions must be accompanied by a title, location of photo, photographer’s name, age, and email address. Photos will be accepted until September 1, 2019. Submit photos via email to dolson@glpd.com.

All photos submitted become the property of the Grayslake Park District. By entering this contest you also certify to the Grayslake Park District that you are the sole copyright holder of the images.
