# LETTER FROM THE DIRECTOR

## Falling into Fun

There's always something fun going on here at the Grayslake Park District! Whether it's teams playing in our new Adult Kickball League or active adults socializing over bingo at the Nifty Fifty Senior Club, we strive to provide park and recreation opportunities for all ages.

Summer is always a busy time, so I wanted to highlight a few things from the last season:

- Thousands of people spent the day in Central Park to enjoy the Taste of Grayslake Family Picnic & Fireworks. Save the date - next year the event will be Saturday, June 27, 2020.
- Hundreds of children stayed active, made new friends, and had a blast at our Summer Camps
- Launched a new website for the Grayslake Golf Course ([www.grayslakegolfcourse.com](http://www.grayslakegolfcourse.com)). A new Grayslake Park District website is coming soon, too!
- Applied to the Illinois Department of National Resources for an Open Space and Land Acquisition (OSLAD) grant to help fund the final phase of development at Alleghany Park
- Celebrated National Park and Rec Month in July with help from Parker, the Park and Rec Monkey (pictures below)

Fall is always bustling, school starts up again and fall sports begin. This program guide is packed with wonderful activities for you to enjoy this season - we look forward to helping you "Find Your Fun" in Grayslake parks and programs this fall!

Yours Truly,

Kristin Splitt  
Executive Director

Parker monkeyed around on all 23 playgrounds in Grayslake during National Park and Rec Month!

## PRESCHOOL CLASS DESCRIPTIONS

### Creative Dance

Creative Dance blends movement, music, improvisation, and basic dance steps while providing an excellent introduction for the future study of all dance techniques. Students learn dance fundamentals while improving motor skills, self-expression, confidence, imagination and social development. Dancer must be fully potty trained, no pull-ups. This is a drop off class.

### Pre-Ballet and Tap 1, 2 and 3

This program takes the basics of ballet technique and through the use of props and imagination, gives the children a fun and educational class. Large motor skills are highlighted as well as stimulating the brain's coordination. The tap portion of class explores rhythms and smaller motor skills. This is a drop off class.

### Pre-Jazz

Jazz is a more funky form of dance. The body is used in many different ways and is not as restricted as in ballet. This is an introductory class with jazz basics to fun and kid-friendly music. Dancers will learn the beginning steps of jazz and work on picking up choreography sequences that fuse style and technique. This is a drop off class.

## STUDENT DIVISION CLASS DESCRIPTIONS

This division is a graded-training program. Age is used as a guideline for class placement; however a student's individual ability becomes more important. It is typical for a student to remain at the same level for 2 years. For the students' safety, as well as their confidence, promotion to the next level does not occur until the student has mastered the current level syllabus.

### Ballet

As students grow, they naturally begin to dance as a form of expression and imagination. We capture this enthusiasm and incorporate it into our ballet program - emphasizing proper ballet technique with a focus on developing strength, alignment, musicality, and the grace that is inherent in the form. As students mature and their bodies develop strength, we transition to a more serious study of ballet technique that will prepare them to be both confident and technically proficient artists.

### Hip Hop

Hip-Hop evolved out of street and break dancing and is characterized by its athletic and bouncy style. Hip-Hop is set to a strong, contemporary beat, builds stamina, and emphasizes body isolations, attitude, coordination, free-style movement, and rhythm. This form of dance is seen in music videos.

### Jazz

Jazz dance is an upbeat and performative style that is often seen in Broadway productions. While exploring many different stylistic preferences, students focus on principles such as syncopated rhythms, body isolations, precise technical skills, and choreography. Students will be exposed to various styles of jazz such as Broadway, Street and Contemporary to help develop a well-rounded dancer.

### Lyrical

Lyrical is a fusion of ballet and jazz dance techniques. Lyrical dance challenges dancers to use motion to interpret music and express emotion. Lyrical jazz is a very passionate and emotional dance style. It portrays certain emotions and tells a story through every movement made.

### Modern

Modern Dance develops strong creative dancers through the study of technique and improvisation with a focus on musicality, dynamics, floor-work and artistic expression. The class provides students the opportunity to create their own explorative movement within a structured class. Classes with composition focus on problem-solving skills and the tools needed to create unique dances for a group or individual.

### Tap

Tap Dance focuses on developing coordination, precision, rhythmic skills, and musicality within both the Broadway and contemporary Rhythm-Tap styles. As students' progress they further develop skills, focusing on clarity of sounds and increasing speed as well as dynamics and musicality.

**Age: 16 years & up**

The Pilates Method is a system of movement and therapeutic exercise developed over a span of 60 years by German-born athlete and physical therapy pioneer, Joseph Pilates. Utilizing the specialized equipment he designed, the method works by toning muscles and balancing muscular force at the joint level. It stimulates circulation by facilitating muscular flexibility, joint range of motion and proper neuromuscular patterns, heightened body awareness and more precise coordination. All these things combine to help prevent future re-injury and reduce – and in some cases alleviate – chronic pain. Please wear loose fitting clothes and bring a water bottle, yoga mat, and towel to each class. (TP)

**CHICAGO GANGSTER AND GHOST TOUR**

**Bucket List Trip**

**Age: Active Adults, 55 years & up**

Interested in exploring Chicago from the perspective of ghosts and gangsters? Immerse yourself in the history of this great American city! Chicago is known for a colorful gangster past, starting with murder and mayhem down every alleyway in the 1920s and 30s. Gangster interactions became an everyday occurrence, with gangland shootings dominating news headlines from Chicago’s finest hotels, speakeasies, and mysterious sidewalks. Although the activity has since quieted down, it’s still alive, whether you want to believe it or not. This customized gangster tour will cover much of the history behind these famed murders, while we take you through the modern day haunted crime scene locations that are still frequented by the famous actors. This is an extensive 1.5 mile walking tour. After the tour, enjoy lunch at the Exchequer Pub. The first restaurant was established during the roaring '20s - called the 226 Club. Rumor has it that the restaurant was a “speakeasy” in those days, patronized by none other than Al Capone. After all, Big Al lived just a few blocks south. Buffet lunch will consist of penne pasta with marinara sauce, fettuccine alfredo, Italian sausage, meatballs, Caesar salad, garlic and pizza bread and choice of tea or coffee. Trip includes transportation by motor coach, tour, and lunch.

When you submit your completed form by the third class session, we will process a full refund of your paid fees provided **you only attended the first class**. If you attended two or more classes, all refunds will be pro-rated as to how many classes have been held in the program session.

THIS POLICY APPLIES TO LEISURE PROGRAMS ONLY. A leisure program is defined as a program where Park District personnel teach activities or skills over a period of three or more weeks. Satisfaction Guarantee policy does not apply to special events, trips, contractual programs, conflicts with scheduling, make up classes, weather related causes or any other cause not within the control of the Park District.

## REFUND POLICY - PLEASE READ CAREFULLY!

Individuals submitting a request for a refund will be eligible to receive a refund provided the request meets one of the criteria below:

- Prior to the registration deadline a 100% refund is given (less a \$5 administrative processing fee). Registration deadline is one week prior to the start of the program.
- After the registration deadline and prior to the first day of class a 75% refund is given (less a \$5 administrative processing fee).
- After the first class meeting of a recreation program, no refunds will be given unless it's a medical reason. If it is a medical reason, a doctor's note must be provided and a pro-rated refund will be issued (less a \$5 administrative processing fee).
- When programs are cancelled by the Park District, participants will receive a 100% refund.

**Please note: All refunds that for \$10 or less will ONLY be granted as a credit to your household account that can be used towards another Park District program. A check will not be issued.**

## AMERICANS WITH DISABILITIES

Americans with Disabilities Act of 1991 (Public Law 101-336) was adopted by Congress for the purpose of eliminating discrimination against individuals with disabilities. The act directed the Department of Justice to prepare and publish rules of implementation. The final rule was published on July 26, 1991 (28 C.F.R. Part 45) which set the standards for implementing the Act. The Act prohibits exclusion of qualified individuals with a disability from services, programs or activities of any state or local government which includes park districts as of January 26, 1992. Individuals with concerns or questions should contact the Park District at (847) 223-7529.

## STATEMENT OF NON-DISCRIMINATION

The Grayslake Park District prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, marital or family status.

## GENERAL PARK RULES

Alcoholic beverages are prohibited in parks and facilities. There are no exceptions to this rule. No parking in posted areas. All dogs must be on a leash at all times, and owners must clean up after them. There are no motorized vehicles permitted on park pathways or in open grass areas. There is no dumping of grass clippings or yard waste on any Park District property. Smoking is not allowed in any indoor facility. To reserve a park facility call (847) 223-7529. Please report any vandalism you see to the Grayslake Police Department at (847) 223-2121.

## PROGRAM GUIDE DELIVERY

The Grayslake Park District relies on the postal service for the distribution of our seasonal program guide. Our program guides are mailed out late February, early May, late July, and late Nov. The Grayslake Park District makes every effort to deliver to each resident household and assumes no responsibility for delivery.

## WEATHER CANCELLATIONS

School cancellations due to weather do not always affect Park District programs (except preschool). For specific program and event cancellations, please call the weather hotline at (847) 223-7246.

## PETS AT EVENTS

The Grayslake Park District asks that everyone please exercise good judgement and leave pets at home when attending events that draw large crowds. Please show respect for other people, yourself and your pet by helping the Park District maintain a safe and healthy environment where all people have the opportunity to participate and enjoy themselves.

## BEHAVIOR POLICY

Participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff.

Participants shall:

1. Show respect to all participants and staff, take direction from staff
2. Refrain from using abusive or foul language.
3. Refrain from causing bodily harm to self, other participants or staff.
4. Show respect for equipment, supplies and facilities.

A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, prompt resolution will be sought specific to each individual situation. The Park District reserves the right to dismiss a participant whose behavior endangers the safety of himself/herself or others.

## GRAYSLAKE PARK DISTRICT ICE RINKS

When the conditions are safe, skating is allowed in designated plowed areas on the following Grayslake Park District ponds:

- Jones Island Park
- Molly's Pond in Haryan Farms
- Cambridge Pond in College Trail
- Chesapeake Landing in Chesapeake Farms
- Lexington Woods Park in English Meadows

A flag is flown to indicate if the ice is safe. The red flag means unsafe conditions and green flag means safe conditions.

For updated ice conditions for the parks above, please call (847) 223-7529 or visit [www.glpd.com/ice-rinks](http://www.glpd.com/ice-rinks).

## TRAILS, SIDEWALKS AND PATHS

The Park District owns miles of trails, paths and sidewalks throughout the community. When it snows, the Park District makes every effort possible to clear snow from some of these paths only after their main parking lots and facility sidewalks are clear. Please note that the Park District does **NOT** treat these areas with salt or any other ice melt product. Please use extreme caution when walking on these paths during the Winter/Spring months when ice is most present.

# PARK DISTRICT WAIVER & RELEASE FORM

## IMPORTANT INFORMATION

The Grayslake Community Park District is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize, however, that there is an inherent risk of injury when choosing to participate in recreation activities. The Grayslake Community Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Please recognize that the Grayslake Community Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Grayslake Community Park District automatically responsible for the payment of medical expenses.

Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the District requires the execution of the following Waiver and Release. Your cooperation is greatly appreciated.

## WAIVER AND RELEASE OF ALL CLAIMS

Please read this form carefully and be aware that in registering yourself or your minor child/ward for participation in Grayslake Community Park District programs, you will be waiving and releasing all claims for injuries you or your child/ward might sustain arising out of the above programs with the Grayslake Community Park District.

I recognize and acknowledge that there are certain risks of physical injury to participants in Grayslake Community Park District programs and I agree to assume the full risk of any such injuries, including death, damages or loss regardless of severity which I or my child/ward may sustain as a result of participating in any and all activities connected or associated with such programs. When registering by fax, it is mutually understood that the facsimile registration document (including the waiver and release of all claims) shall substitute for and have the same legal effect as the original form.

I agree to waive and relinquish all claims I or my child/ward may have as a result of participating in the program against the Grayslake Community Park District and other agencies and its officers, agents and employees. I do hereby fully release and discharge the Grayslake Community Park District and its officers, agents, servants, and employees from any and all claims from injuries including death, damages, and losses sustained by me or my minor child/ward arising out of, connected with, or in any way associated with the activities of the programs. I further agree to indemnify and hold harmless and defend the Grayslake Community Park District and its officers, agents, servants and employees from any and all claims resulting from injuries including death, damages and losses sustained by me or by my child/ward arising out of, connected with, or in any way associated with the activities of any of the programs.

In the event of any emergency, I authorize Grayslake Community Park District officials to secure from any licensed hospital, physician and/or medical personnel any treatment deemed necessary for me or my minor child/ward's immediate care and agree that I will be responsible for payment of any and all medical services rendered. I also understand that unless specifically stated in writing at the time of registration, registrants and participants permit the taking of photos and videos of themselves and their children during Park District activities for publication in its catalogues, brochures, pamphlets, flyers, on its website, via social media, and use as the Park District deems necessary.
