GRAYS LAKE

INVASIVE PLANT TREATMENT NOTICE – 2019

The Grays Lake Management Committee along with the Grayslake Community Park District has contracted with Marine Biochemists to perform a spot treatment of the Lake for the reduction of Curlyleaf Pond Weed, an invasive plant. The application will be performed on **THURSDAY, MAY 9TH** weather dependent. The following **RESTRICTIONS** will apply:

- **No Drinking of water for 5 days**
- **No fish consumption for 5 days**

Notices for any future applications will be posted on the District's web site at www.glpd.com , letters will be distributed to adjacent landowners and signs will be posted at each Park District owned property.

We thank you for your cooperation in our attempt to control the invasive plants in our community lake.
