COLLEGE TRAIL / CAMBRIDGE DETENTION POND

INVASIVE PLANT APPLICATION NOTICE – 2020

The Grayslake Community Park District has contracted with Marine Biochemists to perform a chemical application for the control of invasive plants such as milfoil and algae for 2020. The application was performed on **TUESDAY, MAY 12TH**. The following **RESTRICTIONS** will apply:

- **No use of water for irrigation for 30 days**
- **No fish consumption for 3 days**
- **No swimming for 3 days**

Notices for any future applications will be posted on the District's web site at www.glpd.com, letters will be distributed to adjacent landowners and signs will be posted at each Park District owned property.

We thank you for your cooperation in our attempt to control the invasive plants in our district-owned ponds and lakes.
