CHANGES IN THIS PROGRAM GUIDE

REMAINING FLEXIBLE DURING UNCERTAIN TIMES

The Grayslake Park District is following guidelines the Governor's Restore Illinois Plan, Centers for Disease Control (CDC), and Illinois Department of Public Health (IDPH) pertaining to public parks and recreation activities and facilities. When this Program Guide was printed in late July, Illinois was in Phase 4-Revitalization of the Restore Illinois Plan. While we hope coronavirus conditions continue to improve, staff have made contingency plans so we can continue to offer classes during different phases of the Restore Illinois Plan. If Illinois goes back a phase and restrictions are tightened, we want to be clear what classes and programs you can expect from us.

UNDERSTANDING THE ICONS

Next to nearly every program title in this guide is a series of icons indicating the class status during different phases of the Restore Illinois Plan. The following key is located on the bottom of most pages to help you decipher the meaning:

-  Class can occur during this phase
-  Class may occur during this phase with modifications
-  Class cannot occur during this phase due to safety restrictions

HOW ABOUT SOME EXAMPLES?

So, what does it mean if you see these icons next to a class you're interested in?

Example Fitness Class   

The circle around 2 is yellow, which indicates the class may occur during Phase 2 with modifications, like being held virtually/live stream

The circle around 3 is also yellow, which indicates the class may occur during Phase 3 with modifications, perhaps outdoors or with smaller group sizes

The circle around 4 is green, so the class can occur as planned during Phase 4

Let's do one more example:

Example Sports Class   

The circle around 2 is red, so the class can't happen in Phase 2

The circle around 3 is yellow, so the class may occur during Phase 3 with modifications, like being held outside rather than in the gym

The circle around 4 is green, so the class can occur as planned during Phase 4

WHY THE ICONS?

The message is clear – we can continue providing you high-quality park and recreation experiences during different phases of the Restore Illinois Plan. If you flip open the Program Guide in November and Illinois is in a different phase, we want to make it as easy as possible for you to know the status of the program you're interested in.

YOU SHOULD ALSO KNOW

If you register for a class, you will be notified of specific details if adjustments need to take place in order to comply with the most recent guidelines. While plans have been made to modify programs if needed, everything is subject to change due to unforeseen circumstances.

ONE MORE THING

If you have any questions at all about the status of a class or how it might occur in a different phase, please call us at (847) 223-7529. We are always happy to address your concerns and walk you through the details.

NEWS AND UPDATES

WELCOME (BACK) COMMISSIONER CARL DEAL

Grayslake resident Carl Deal was sworn in as the Grayslake Park District's newest Board Commissioner on Wednesday, July 15, 2020. Carl is filling a position vacated by the passing of former Board Commissioner Tim Powell.

A long-time Grayslake resident, Carl has been very active in Park District programs and activities throughout the years. Carl served on the Park Board from 2001-2005 while his children were growing up. Now Carl's grandchildren are involved in Park District programs, so he thought it would be a great time to return to the Park Board and give back to the community. Carl has a deep love of the Grayslake community and has volunteered his time in many different organizations, including Colts Football, Grayslake Youth Baseball, and AYSO. Carl is excited to bring his experience, leadership, community involvement, and passion for parks and recreation back to the Park District.

NEW PLAYGROUND AT YOGI BEAR PARK

Installation of the new playground at Yogi Bear Park (1195 Popes Creek Circle) was completed in July. Thanks to everyone who shared feedback on design options last year!

In addition to traditional play features, the playground includes a Merry Go All (an inclusive Merry Go Round), a Sensory Wave Spinning Seat (a freestanding play activity for children of all abilities), and an Expression Swing (a special swing with seats that allow an adult and child to face each other while swinging).

We try to replace at least one playground every year, depending on available funds.

GRAYSLAKE PARK DISTRICT MOURNS THE PASSING OF COMMISSIONER TIMOTHY POWELL

It is with deep sadness that the Grayslake Community Park District mourns the unexpected death of Park Commissioner Timothy Powell. Tim was a beloved, lifelong resident of Grayslake and a 7-year dedicated board member to the Park District.

"Tim was a devoted member of our park district board, he served with integrity, passion and only wanted what was best for our community," said Executive Director Kristin Splitt. "He was the true definition of a public servant and he will be greatly missed."

Powell was elected to the Board in April 2013. In addition to serving on the Park Board, he served on boards for Avon Township, the Grayslake Area Public Library, and the College of Lake County. Tim was a retired Lake County Sheriff and lived a life of service to his community.

The Park Board and staff members appreciated Tim's warm personality and commitment to serving the community and he will always remain a special member of our Park District family.

DANCE

The Grayslake Park District's Expressions Dance Studio is committed to providing high-quality dance classes to enhance the overall development of your child. We provide a safe and child-centered environment to encourage our students to explore dance with qualified, nurturing teachers.

DANCE IS BACK!

We're excited to welcome you back to the studio this fall. Please note the following adjustments based on guidelines outlined in the Restore Illinois Plan:

- **Please do not arrive more than 5 minutes prior to class.** There are 15 minutes between classes to allow minimal contact between groups, as well as for instructors to clean between classes.
- **One parent may enter the building to drop off your dancer.** Once your dancer is in the studio, we kindly request that you exit the building. Parents may not congregate in the hallway or lobby area.
- **Face coverings must be worn by parents at all times and dancers when entering and exiting the building.** Once your child has entered the studio and is instructed to do so, they may remove their face covering and place it in their cubby. This is subject to change based on IDPH guidelines.
- **Students will be asked to maintain a 6 foot distance.** We will be marking the floor in such a way that each designated area will be easy to recognize - even for our youngest dancers.
- **Please have students use the restroom before arriving for class.** The restroom in the studio will be available for emergencies only.
- **Class sizes will be limited.** In order to allow for proper distancing of students, class sizes will be smaller.
- **Since class sizes are smaller, we will try to accommodate waitlists and add additional classes into available time slots.**

Please pack a lunch and drink. (KR)

Eligibility

Students must be the proper age by Sept. 28 and must be toilet trained.

Fee

Fee includes class instruction and accessories for Showcase Performance at the end of the session

PRESCHOOL CLASS DESCRIPTIONS

Preschool classes are a great way to introduce your little one to express him or herself through movement. All preschool classes are drop off classes.

Creative Dance

Creative Dance blends movement, music, improvisation, and basic dance steps while providing an excellent introduction for the future study of all dance techniques. Students learn dance fundamentals while improving motor skills, self-expression, confidence, imagination and social development. Dancer must be fully potty trained, no pull-ups.

Pre-Ballet and Tap 1, 2 and 3

This program takes the basics of ballet technique and through the use of props and imagination, gives the children a fun and educational class. Large motor skills are highlighted as well as stimulating the brain's coordination. The tap portion of class explores rhythms and smaller motor skills.

Pre-Hip Hop

This introduction to hip hop dance for the younger ones is focused on rhythm, musicality, and basic footwork in a casual, friendly environment. Using combinations and steps with music, hip-hop is a great way to get kids moving and having fun! Be prepared for a lot of movement.

Pre-Jazz

Jazz is a more funky form of dance. The body is used in many different ways and is not as restricted as in ballet. This is an introductory class with jazz basics to fun and kid-friendly music. Dancers will learn the beginning steps of jazz and work on picking up choreography sequences that fuse style and technique.

STUDENT DIVISION CLASS DESCRIPTIONS

This division is a graded-training program. Age is used as a guideline for class placement; however a student's individual ability becomes more important. It is typical for a student to remain at the same level for 2 years. For the students' safety, as well as their confidence, promotion to the next level does not occur until the student has mastered the current level syllabus.

Ballet

As students grow, they naturally begin to dance as a form of expression and imagination. We capture this enthusiasm and incorporate it into our ballet program - emphasizing proper ballet technique with a focus on developing strength, alignment, musicality, and the grace that is inherent in the form. As students mature and their bodies develop strength, we transition to a more serious study of ballet technique that will prepare them to be both confident and technically proficient artists.

Hip Hop

Hip-Hop evolved out of street and break dancing and is characterized by its athletic and bouncy style. Hip-Hop is set to a strong, contemporary beat, builds stamina, and emphasizes body isolations, attitude, coordination, free-style movement, and rhythm. This form of dance is seen in music videos.

Jazz

Jazz dance is an upbeat and performative style that is often seen in Broadway productions. While exploring many different stylistic preferences, students focus on principles such as syncopated rhythms, body isolations, precise technical skills, and choreography. Students will be exposed to various styles of jazz such as Broadway, Street and Contemporary to help develop a well-rounded dancer.

Lyrical

Lyrical is a fusion of ballet and jazz dance techniques. Lyrical dance challenges dancers to use motion to interpret music and express emotion. Lyrical jazz is a very passionate and emotional dance style. It portrays certain emotions and tells a story through every movement made.

Modern

Modern Dance develops strong creative dancers through the study of technique and improvisation with a focus on musicality, dynamics, floor-work and artistic expression. The class provides students the opportunity to create their own explorative movement within a structured class. Classes with composition focus on problem-solving skills and the tools needed to create unique dances for a group or individual.

We are committed to providing our participants with high quality leisure programs. Our residents and participants are very important to us and we feel you deserve quality at all times. We are confident that our leisure programs provide high quality so we are backing it with a policy called "Satisfaction Guarantee." Our promise and policy is as follows: The Park District's promise is that you will be satisfied with the quality of our leisure programs in which you participate or you will receive a full refund of fees you have paid for that program. The policy and refund process is simple. All we request is that you must attend at least one class and if you are not satisfied with the quality of the instruction, that you take a brief moment of your time to complete the Refund Form prior to the third class. Your input on the Refund Form is very valuable as it will allow us to focus on where improvement is needed.

Refund Forms are available at the Recreation Center and online at www.glpd.com/forms. When you submit your completed form by the third class session, we will process a full refund of your paid fees provided **you only attended the first class**. If you attended two or more classes, all refunds will be pro-rated as to how many classes have been held in the program session.

THIS POLICY APPLIES TO LEISURE PROGRAMS ONLY. A leisure program is defined as a program where Park District personnel teach activities or skills over a period of three or more weeks. Satisfaction Guarantee policy does not apply to special events, trips, contractual programs, conflicts with scheduling, make up classes, weather related causes or any other cause not within the control of the Park District.

REFUND POLICY - PLEASE READ CAREFULLY!

Individuals submitting a request for a refund will be eligible to receive a refund provided the request meets one of the criteria below:

Please note: All refunds that for \$10 or less will ONLY be granted as a credit to your household account that can be used towards another Park District program. A check will not be issued.

GENERAL INFORMATION

AMERICANS WITH DISABILITIES

Americans with Disabilities Act of 1991 (Public Law 101-336) was adopted by Congress for the purpose of eliminating discrimination against individuals with disabilities. The act directed the Department of Justice to prepare and publish rules of implementation. The final rule was published on July 26, 1991 (28 C.F.R. Part 45) which set the standards for implementing the Act. The Act prohibits exclusion of qualified individuals with a disability from services, programs or activities of any state or local government which includes park districts as of January 26, 1992. Individuals with concerns or questions should contact the Park District at (847) 223-7529.

STATEMENT OF NON-DISCRIMINATION

The Grayslake Park District prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, marital or family status.

GENERAL PARK RULES

Alcoholic beverages are prohibited in parks and facilities. There are no exceptions to this rule. No parking in posted areas. All dogs must be on a leash at all times, and owners must clean up after them. There are no motorized vehicles permitted on park pathways or in open grass areas. There is no dumping of grass clippings or yard waste on any Park District property. Smoking is not allowed in any indoor facility. To reserve a park facility call (847) 223-7529. Please report any vandalism you see to the Grayslake Police Department at (847) 223-2121.

PROGRAM GUIDE DELIVERY

The Grayslake Park District relies on the postal service for the distribution of our seasonal program guide. The Grayslake Park District makes every effort to deliver to each resident household and assumes no responsibility for delivery.

WEATHER CANCELLATIONS

School cancellations due to weather do not always affect Park District programs (except preschool). For specific program and event cancellations, please call the weather hotline at (847) 223-7246.

PETS AT EVENTS

The Grayslake Park District asks that everyone please exercise good judgement and leave pets at home when attending events that draw large crowds. Please show respect for other people, yourself and your pet by helping the Park District maintain a safe and healthy environment where all people have the opportunity to participate and enjoy themselves.

BEHAVIOR POLICY

Participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff.

Participants shall:

1. Show respect to all participants and staff, take direction from staff
2. Refrain from using abusive or foul language.
3. Refrain from causing bodily harm to self, other participants or staff.
4. Show respect for equipment, supplies and facilities.

A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, prompt resolution will be sought specific to each individual situation. The Park District reserves the right to dismiss a participant whose behavior endangers the safety of himself/herself or others.

TRAILS, SIDEWALKS AND PATHS

The Park District owns miles of trails, paths and sidewalks throughout the community. When it snows, the Park District makes every effort possible to clear snow from some of these paths only after their main parking lots and facility sidewalks are clear. Please note that the Park District does **NOT** treat these areas with salt or any other ice melt product. Please use extreme caution when walking on these paths during the Winter/Spring months when ice is most present.

COVID-19 PROGRAM UPDATES

At the time this Program Guide was printed, there was no way to know just what would happen over the next few months with the COVID-19 pandemic. The scheduling information was accurate at that time; however, it is very possible that things have changed since then.

To see the most accurate information, please visit our website at www.glpd.com. Thank you for your flexibility and understanding.

IMPORTANT INFORMATION

The Grayslake Community Park District is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize, however, that there is an inherent risk of injury when choosing to participate in recreation activities. The Grayslake Community Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Please recognize that the Grayslake Community Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Grayslake Community Park District automatically responsible for the payment of medical expenses.

Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the District requires the execution of the following Waiver and Release. Your cooperation is greatly appreciated.

WAIVER AND RELEASE OF ALL CLAIMS

Please read this form carefully and be aware that in registering yourself or your minor child/ward for participation in Grayslake Community Park District programs, you will be waiving and releasing all claims for injuries you or your child/ward might sustain arising out of the above programs with the Grayslake Community Park District.

I recognize and acknowledge that there are certain risks of physical injury to participants in Grayslake Community Park District programs and I agree to assume the full risk of any such injuries, including death, damages or loss regardless of severity which I or my child/ward may sustain as a result of participating in any and all activities connected or associated with such programs. When registering by fax, it is mutually understood that the facsimile registration document (including the waiver and release of all claims) shall substitute for and have the same legal effect as the original form.

I agree to waive and relinquish all claims I or my child/ward may have as a result of participating in the program against the Grayslake Community Park District and other agencies and its officers, agents and employees. I do hereby fully release and discharge the Grayslake Community Park District and its officers, agents, servants, and employees from any and all claims from injuries including death, damages, and losses sustained by me or my minor child/ward arising out of, connected with, or in any way associated with the activities of the programs. I further agree to indemnify and hold harmless and defend the Grayslake Community Park District and its officers, agents, servants and employees from any and all claims resulting from injuries including death, damages and losses sustained by me or by my child/ward arising out of, connected with, or in any way associated with the activities of any of the programs.

In the event of any emergency, I authorize Grayslake Community Park District officials to secure from any licensed hospital, physician and/or medical personnel any treatment deemed necessary for me or my minor child/ward's immediate care and agree that I will be responsible for payment of any and all medical services rendered. I also understand that unless specifically stated in writing at the time of registration, registrants and participants permit the taking of photos and videos of themselves and their children during Park District activities for publication in its catalogues, brochures, pamphlets, flyers, on its website, via social media, and use as the Park District deems necessary.
