## ABOUT OUR PRESCHOOL PROGRAM

The Grayslake Park District offers preschool for Young 3 Year Olds, 3 Year Olds, and 4 Year Olds. Our program focuses on cognitive, social, emotional, and physical development to ensure that each child progresses to his/her fullest potential.

Activities include: arts and crafts, language arts, circle time, music, movement, games, outdoor play, and independent play, along with developmental activities. This program will help build your child's love for learning! Our curriculum includes math skills, science, reading readiness, shapes, colors, music, and a full spectrum of games and activities that help children develop social skills. Field trips, guest speakers, specialty programs, and holiday parties add to the enrichment of your child.

## PLANNING FOR THE SCHOOL YEAR

While we hope to proceed as planned with in-person classes for the school year, we do have plans in place in case the COVID-19 situation changes and requires modifications be made. Our priority is to continue providing your child with the best preschool experience, whether that's in the classroom, connecting with teachers and classmates online, or a combination of both.

We will continue to follow the latest safety guidelines and precautions in order to keep your child safe. Our staff remains committed to creating a memorable, fun, and educational preschool experience for your child!
