COLLEGE TRAIL / CAMBRIDGE DETENTION POND

INVASIVE PLANT APPLICATION NOTICE – 2021

The Grayslake Community Park District has contracted with Marine Biochemists to perform a full volume herbicide (sonar) treatment for the control of invasive plants such as milfoil and algae for 2021.

The application will be performed on **MONDAY, MAY 10TH** The following **RESTRICTIONS** will apply:

- **No use of water for irrigation for 30 days**

Notices for any future applications will be posted on the District's web site at www.glpd.com , letters will be distributed to adjacent landowners and signs will be posted at each Park District owned property.

We thank you for your cooperation in our attempt to control the invasive plants in our district-owned ponds and lakes.
