# MESSAGE FROM THE DIRECTOR

Spring is in the air! We are excited to bring back many of your favorite outdoor and indoor recreation programs this spring and summer. The safety of our participants continues to be our top priority. Our staff continue to monitor the latest public health recommendations to ensure our programs and facilities are as clean and safe as possible.

Throughout this guide, you'll find a variety of indoor, outdoor, in-person and virtual recreation opportunities to engage your mind and body. The guide also includes Summer Camps, so you can start planning ahead. All classes will follow the latest safety guidelines to ensure everyone feels safe participating.

In addition to the programs listed in this guide, we have a few other projects planned this spring. A new playground is coming to Churchill Junction (1375 Churchill Lane) in the Links of English Meadows. Churchill Junction is next on the playground replacement schedule the district uses as a guide to prioritize replacement of the 23 playgrounds in its park inventory. We try to replace at least one playground every year, depending on available funds.

If you spot bright orange bikes around town, those are part of the Grayslake Bike Share! We are excited to partner with the Village of Grayslake, Grayslake Area Public Library, College of Lake County, and Grayslake resident Mary Klees to launch the first bike share program in Lake County. More information will be available in the coming weeks.

Spring is a great time to get outside and GO Grayslake! After being stuck indoors for much of the winter, we could all use some fresh air and exercise. There are so many ways to enjoy the outdoors in Grayslake - visit one of our 33 parks or 23 playgrounds, walk or bike the 21+ miles of trails, and embrace some nature therapy! Being outdoors and getting regular physical activity can help relieve stress, boost your mood, lower blood pressure, and improve your overall mental and physical health.

I hope you find something in this guide to look forward to this coming season!

With gratitude,

Kristin Splitt  
Executive Director

## VIRTUAL PILATES

**Age: 16 years & up**

The Pilates Method is a system of movement and therapeutic exercise developed over a span of 60 years by German-born athlete and physical therapy pioneer, Joseph Pilates. Utilizing the specialized equipment he designed, the method works by toning muscles and balancing muscular force at the joint level. It stimulates circulation by facilitating muscular flexibility, joint range of motion and proper neuromuscular patterns, heightened body awareness and more precise coordination. All these things combine to help prevent future re-injury and reduce – and in some cases alleviate – chronic pain. Please wear loose fitting clothes. (TP)

Preschool Camps are designed to expose your child to a fun and exciting learning environment.

We recommend our camps to help transition your child into a semi-structured learning atmosphere in order to prepare them for Preschool. Preschool Camps focus on introducing circle time, educational concepts, structured projects and social interaction with peers. The Park District takes great pride in providing a positive, nurturing and safe environment for all children to grow.

# SUMMER FUN 2021

## Summer Camps are now Summer Fun 2021 (K-6th grade)! 🤘

We know that many families look forward to camp during the summer – and so do we! Summer programs, including camp, will align with the Governor's Restore Illinois Plan. All provided camp information is subject to change.

We are not able to offer summer camp as we have in the past this year due to COVID-19 and the safety requirements set by the Restore Illinois Plan. Instead of multiple camp options, we are offering Summer Fun 2021 – a modified (but still super fun!) camp experience limited to 60 children to meet social distancing and various other safety guidelines.

For more information on Summer Fun 2021, please visit: [www.glpd.com/summer-camps/summer-fun](http://www.glpd.com/summer-camps/summer-fun)

## What exactly is Summer Fun 2021?

- Summer activities and games based out of the Recreation Center (240 Commerce Drive)
- Designed for children entering kindergarten through 6th grade
- Begins the week of June 7
- 1 week (5-day, Monday-Friday) full day (8am-5pm) sessions
- Weekly fee: \$175 R / \$219 NR
- Weekly fees cannot be pro-rated; if a child only attends 3 days/week, you'll still need to pay the full weekly fee
- Parents can drop off between 8-8:30am but can pick up any time before 5pm
- Groups of 15 with 2 group leaders (children grouped with siblings)
- Designated indoor/outdoor space for each small group

## What Summer Fun Looks Like...

Groups spend time doing fun activities indoors and outdoors, including playing games, playing sports, creating crafts, friendly competitions, and more! Groups will take walking field trips to nearby parks, Dog N Suds, The Freeze, and other Grayslake destinations. Parents will receive advance notice of any schedule changes and if drop off/pick up will be at a different location other than the Recreation Center.

If State guidelines will allow, we are working to possibly offer field trips and swimming at the Grayslake Aquatic Center. If this is possible, an additional cost will be added to the weekly fee in order to cover costs associated with the field trips.

### *Pick up/drop off*

Curb-side drop off and pick up will take place. Parents will stay in their vehicle for sign in/sign out and will not enter the facility.

### Safety

The latest safety requirements will be followed. Staff are required to wear face coverings. Children will wear face coverings indoors and when social distancing cannot be maintained outdoors. Disposable masks will be available for purchase each day for \$1.

Gloves are required for staff when assisting children with lunch, administering first aid, and cleaning. No toys from home are allowed.

Cleaning and sanitizing will take place on common touch surfaces every two hours. Hand sanitizer will be available in every room and brought with the counselors where ever they go. Frequent handwashing will be encouraged to all campers when indoors.

### Lunch

Campers must bring a sack lunch and drink every day (no food or hot lunch will be available for purchase). Water fountains can be used to refill water bottles but not for drinking directly from. Lunch and snacks will take place outside (weather permitting); campers will bring a beach towel and be distanced 6 feet apart.

## REGISTRATION

Registration is first-come, first-served and space is limited. We encourage you to register early. If you attended a previous session, it does not guarantee a spot in a future session.

### Payment Options

Pay in full when you register or select installment billing. For installment billing, you pay for the first session of camp in full and then your debit/credit card will be charged the Thursday before the next session of camp begins. Fees must be paid in full prior to your child attending camp. Payment plans are available if needed. Please contact the Park District office at (847) 223-7529 for more information.

## SATISFACTION GUARANTEE POLICY

We are committed to providing our participants with high quality leisure programs. Our residents and participants are very important to us and we feel you deserve quality at all times. We are confident that our leisure programs provide high quality so we are backing it with a policy called "Satisfaction Guarantee." Our promise and policy is as follows: The Park District's promise is that you will be satisfied with the quality of our leisure programs in which you participate or you will receive a full refund of fees you have paid for that program. The policy and refund process is simple. All we request is that you must attend at least one class and if you are not satisfied with the quality of the instruction, that you take a brief moment of your time to complete the Refund Form prior to the third class. Your input on the Refund Form is very valuable as it will allow us to focus on where improvement is needed.

Refund Forms are available at the Recreation Center and online at [www.glpd.com/forms](http://www.glpd.com/forms). When you submit your completed form by the third class session, we will process a full refund of your paid fees provided **you only attended the first class**. If you attended two or more classes, all refunds will be pro-rated as to how many classes have been held in the program session.

THIS POLICY APPLIES TO LEISURE PROGRAMS ONLY. A leisure program is defined as a program where Park District personnel teach activities or skills over a period of three or more weeks. Satisfaction Guarantee policy does not apply to special events, trips, contractual programs, conflicts with scheduling, make up classes, weather related causes or any other cause not within the control of the Park District.

## REFUND POLICY

Individuals submitting a request for a refund will be eligible to receive a refund provided the request meets one of the criteria below:

- Prior to the registration deadline a 100% refund is given (less a \$5 administrative processing fee). Registration deadline is one week prior to the start of the program.
- After the registration deadline and prior to the first day of class a 75% refund is given (less a \$5 administrative processing fee).
- After the first class meeting of a recreation program, no refunds will be given unless it's a medical reason. If it is a medical reason, a doctor's note must be provided and a pro-rated refund will be issued (less a \$5 administrative processing fee).
- When programs are cancelled by the Park District, participants will receive a 100% refund.

**Please note: All refunds that for \$10 or less will ONLY be granted as a credit to your household account that can be used towards another Park District program. A check will not be issued.**

The Act prohibits exclusion of qualified individuals with a disability from services, programs or activities of any state or local government which includes park districts as of January 26, 1992.
