## CLASS DESCRIPTIONS

### DISCOVER DANCE

This new class is designed for the student that wants to try it all! Students will be introduced to four styles of dance (Ballet, Jazz, Hip Hop and Modern) during this eight-week session. It's the perfect opportunity for dancers looking to try out a new style or students that want to give dance a try, but just aren't sure what they'll like. Dancers should follow the dress code for Jazz class as published, however, no dance shoes are required for this class, students may participate in socks or bare feet. Please find the class schedule in the table above.

### SUMMER CLASS COLLECTIVE

Summer is busy! This class will allow our dancers to participate in multiple styles of dance, while only committing to one night of class per week. Students will participate in Ballet, Jazz, Modern and Lyrical throughout the session.
