

Attending a Grayslake Park District Program:

Updated: Dec 3, 2021

To help protect against the spread of COVID-19 and other viruses and for the safety of our staff and participants, we are asking all parents/guardians to review and adhere to the procedures below prior to dropping off your child(ren) at a Grayslake Park District program.

Parents/guardians should review all of these steps collectively, as one or more may indicate that a child(ren) should not attend a program as well as provide guidance on when a child(ren) may return to participate again. Parent/Guardian may be asked to initial at the time of drop off that they have conducted a Daily Self Check for each child registered.

Daily Self Check

Prior to drop off, parents/guardians should confirm the following:

- Is my child experiencing flu like symptoms (fever, body aches, severe congestion, shortness of breath, extreme fatigue, nausea, vomiting or diarrhea)?
 - No – proceed to the program
 - Yes – Stay Home

- Is there a fever or has there been a fever within the past 24 hours at or above 100.4 degrees Fahrenheit?
 - No – proceed to the program
 - Yes – don't proceed to the program

- Has my child said they don't feel good within the past 24 hours?
 - No – proceed to the program
 - Yes – Stay Home

The participant can return to the program when:

- They have had no fever, vomiting or diarrhea for at least 24 hours
- Other symptoms have improved
- If your child has been sick for more than 3-days, it is highly recommended that the child be given a COVID test.

Please note: The Park District reserves the right to call a parent / guardian to pick-up their child if they notice the child experiencing flu-like symptoms during the program.

Please read over and follow the COVID-19 Program Procedures listed on the next page.

Grayslake Community Park District COVID-19 Program Procedures:

UNVACCINATED Participant – COVID-19 Positive Test:
