Tuition payments are based on the total number of school days divided into nine equal monthly installments. Subsequent payments are due on the first of each month, beginning October 1. Tuition payments not received by the tenth of the month will incur a \$25 late fee. Tuition payments not received by the end of the month will result in the removal of the child from the program and the May tuition payment will be applied to that month.

No prorated fees will be given for partial month's attendance or withdrawal. The last month's tuition payment paid at the time of registration is non-refundable if a refund request is made after October 1. If a refund request is made before October 1, a full refund is granted (less a \$100 service charge). All refund requests must be made in writing. Refund forms are available at the Recreation Center.
